# SAVE THE TURTLES!

Every now and then, you'll have the delightful opportunity to spot adorable hawksbill turtles residing on Sentosa Island. Regrettably, these magnificent creatures are **critically endangered**.

Their well-being is adversely affected by pollution caused by plastic waste and the relentless hunting for their shells.

Tragically, some hatchlings never reach the safety of the sea due to obstacles like sandcastles or distractions caused by artificial light sources, leading them astray from their natural path.

Here's how you can play your part:

**Do not touch or feed the turtles.** Call **1800-736-8672** to report any turtle or turtle track sightings.

**Say 'No' to plastics.** Avoid using disposable plastic bags, bottles, straw and etc.

**Avoid littering** the area and help to remove any waste you come across on the ground.

**Fill in dug-out holes and knock down sandcastles** before leaving the beach.

**LET'S WORK TOGETHER TO MAKE  
OUR BEACHES A SAFE HAVEN FOR  
OUR TURTLE FRIENDS TO LIVE IN!**

## **WE ARE GOING PLASTIC-FREE FOR THE FUTURE OF A GREENER EARTH!**

Tipsy® Collective is committed to going green across all our outlets. We are transitioning to become plastic-free and adopting biodegradable packaging to contribute to the well-being of our precious Earth. The reality of climate change urges us to recognise that we all inhabit and share this singular planet.

Let's work together in preserving nature and show the Earth some real good lovin'!
